**Free Home Video Premium:
the 1st unlimited Video-on-Demand TV platform
offering multi-themed access and exclusive HD content**

Free is expanding its Video-on-Demand subscription service available on TV by launching *Free Home Video Premium*. Free is the 1st ADSL TV operator to provide its subscribers with a VOD offer which gives unlimited access to all its thematic collections: Cinema, Series, Music, Children's Entertainment... The offer will soon include access to a Manga theme.

Free Home Video Premium also offers a wide choice of HD content, including films, series and concerts. This content is largely broadcast for the first time, exclusively on HD TV in a S-VOD offer (*Pirates of the Caribbean*, *Die Hard: with a Vengeance*, *Con Air* and more).

With *Free Home Video Premium*, Free users can also access the largest music video jukebox available on TV, which allows them to create personalised playlists.

Free Home Video Premium is available to all Free subscribers eligible for the broadband TV service, for €9.99/month.

Offer subject to telephone line compatibility and technical requirements.

HD content is available subject to the subscriber having a Freebox HD and a minimum Internet connection speed of 6.5 Mbps (IP)

Offer available on channel 100.

The Iliad Group is a major operator on the Internet access and Telecommunications market with Free (2,767,000 broadband subscribers at 30.09.07), Onetel and Iliad Télécom (fixed telephony operators) and IFW (Wimax). The Iliad Group is listed on the Eurolist of Euronext Paris under the abbreviation ILD.
