## **Alice launches the first true triple-play package in the world for less than €20 a month**

*Alice has redesigned its Internet + Phone + TV package range*

Since web users all have their own expectations of broadband packages, Alice has upgraded its AliceBox range and now offers two new packages:

- **AliceBox Initial**, which gives an initial insight into the benefits of a triple-play package at a highly competitive price,
- **AliceBox Plus**, to benefit from a triple-play package with the addition of comprehensive digital TV services.

With **AliceBox Initial**, Alice offers an innovative package for those who seek to discover an innovative broadband offering that combines a rich, user-friendly and attractively priced true triple-play package. For only **€19.99 a month**, new AliceBox subscribers benefit from:

- Dedicated ADSL 2+ high speed internet access (bandwidth not shared with other users),
- Unlimited calls to landlines of 60 destinations, including landlines in mainland France,
- Possibility to remove line rental (full unbundling) and benefit from phone number mobility at no extra charge,
- Access to a package of 60 TV channels,
- Provision of a single box comprising the modem and the TV set-top box.

For people looking for a more comprehensive package, Alice offers **AliceBox Plus** for **€29.99 a month**. This offering, available to new AliceBox subscribers, includes a triple-play package enriched by the latest technological innovations:

- ADSL 2+ high speed internet access (bandwidth not shared with other users),
- Roaming Wi-Fi with 3 million hotspots in Mainland France,
- Unlimited calls to landlines of 100 destinations, including landlines in mainland France,
- Possibility to remove line rental (full unbundling) and benefit from phone number mobility at no extra charge,
- Access to a package of 160 digital TV channels, including HD channels,
- Provision of the latest generation AliceBox modem,
- Provision of the Alice HD TV digital video recorder set-top box, including time shifting
- Provision of a pair of Aliceplugs (CPL 200 Mega powerline plugs).

Lastly, Alice enables subscribers to the AliceBox Initial package to upgrade to the AliceBox Plus at any time, in order to enjoy the benefits of this enriched offering.
