## 7 new High Definition channels on Freebox TV

*With 24 High Definition channels, of which 12 are included in the basic package, Free provides the most extensive HD channel offer on IPTV.*

Free continues to expand its High Definition (HD) channel package by adding 7 new HD channels on Freebox TV: *BFM TV HD, Direct 8 HD, NRJ Hits HD, Clubbing TV HD, Lucky Jack HD, Gong HD, Mezzo Live HD*. The following 4 will be offered as a preview:

- **Gong HD**, the 1<sup>st</sup> entertainment channel broadcast in HD and wide screen, showing the best Japanese animation series, as well as movies, concerts, video game magazines and all the news on series and new releases for the 15-34 year olds.
- **NRJ Hits**, the 1<sup>st</sup> 24/7 music channel to broadcast music videos in HD and wide screen format. The channel also broadcasts the *NRJ Music Tour* live every year.
- **Clubbing TV**, the 1<sup>st</sup> High Definition electronic music channel dedicated to the 15-24 year olds. It programmes the best international music videos, concerts, magazines on the world's top DJs, as well as clubbing and dance floor music news. The channel also broadcasts DJs' major global tours.
- **Lucky Jack HD**, the 1<sup>st</sup> French channel entirely devoted to betting games, including poker and sports bets, as well as casino games and lotteries. Programmes broadcast on Lucky Jack HD include: National Heads Up Poker Championship, Poker After Dark, Women Poker Open, Poker news, live odds, etc.

With 24 High Definition channels, of which 12 are included in the basic package, Free provides the most extensive HD channel offer on IPTV.
