

Roaming from **South Africa** now included in the **Free Mobile Plan**

Free has further enriched its Free mobile plan by including roaming from **South Africa**, for no extra charge, in its no-commitment plan costing less than €20 a month.

The Free Mobile Plan (which costs €19.99/month or €15.99/month for Freebox subscribers) now includes, for 35 days per calendar year:

- **unlimited calls and SMS and MMS messages from South Africa** to South Africa and to Metropolitan France; and
- **3G mobile internet access** of up to 3GB per month (included in the overall internet allowance provided in the Free Mobile Plan).

This deal is simple to use and does not require subscribers to install any applications on their phones. It applies automatically, as from today, to both new and existing subscribers.

See mobile.free.fr for further information.

About Free

Free – an Iliad Group subsidiary – is the inventor of the Freebox, the first multiservice box on ADSL. Free is behind numerous innovations in the Broadband and Ultra-Fast Broadband access segment (VoIP, IPTV, flat-rate calling plans to multiple destinations, etc.). Free provides straightforward and innovative offerings at the best prices. The Freebox Revolution, the 6th generation of Freebox units, notably includes an NAS and a Blu-Ray™ drive. Free also offers the Freebox mini 4K, the first Android TV™ and 4K box on the French market. Free was the first operator to include calls from landlines to mobile phones in its offerings and also calls to French overseas departments (DOM). Since January 2012, Free has brought mobile phone usage within everyone's reach with straightforward, no-commitment offerings at very attractive prices. Subscribers can use their Free Mobile Plan for 35 days per year and per destination (excl. 4G) when they are traveling in all European Union countries, the United States, Canada, Israel, Australia, Norway, Iceland and South Africa. As at September 30, 2016, Free had nearly 19 million subscribers (over 6.3 million Broadband and Ultra-Fast Broadband subscribers and more than 12.3 million mobile subscribers).

Free Mobile Plan: offer subject to conditions. Valid in Metropolitan France subject to network coverage and the use of a compatible mobile phone.

SIM card free of charge if the subscription to the Free Mobile Plan is made via mobile.free.fr with number portability or by a Freebox subscriber and the SIM card is activated within 30 days of its dispatch date. In other cases, or for a second line, a charge of €10 applies. Price for Freebox subscribers: price reduction of €4/month for the Free Mobile Plan available only for Freebox subscribers and applicable for a maximum of four Free Mobile Plan subscriptions (standard price of €19.99/month for additional lines) as part of the multi-line offering (same bank details and same address). Any Freebox subscriber who cancels their Freebox subscription will no longer be eligible for the price reduction.

French overseas departments (DOM): Guadeloupe, French Guiana, Martinique, Mayotte and Reunion Island.

100 landline destinations and countries in the Europe Zone: see list on mobile.free.fr.

FreeWiFi: WiFi Internet access in Metropolitan France via Free WiFi hotspots using an EAP-SIM compatible mobile phone.

For 35 days per year: Unlimited calls and SMS/MMS from any European Union country, the USA, a French overseas department (Guadeloupe, French Guiana, Martinique = one destination. Mayotte and Reunion Island = one destination), Australia, Canada, Israel, Norway, Iceland and South Africa to that same country/destination and to Metropolitan France. 3GB of 3G Internet per month (deducted from the overall Free Mobile Plan Internet allowance, with additional access charged at the applicable rates). Communications available for 35 days per calendar year (any additional communications charged at the applicable rates). One day counted as from the first communication (outgoing or incoming call, outgoing SMS, outgoing or incoming MMS, or internet connection) until midnight, French metropolitan time. Unused days may not be carried forward to the following year. Only available in the areas covered by the networks of Free Mobile's roaming operator partners.

See mobile.free.fr for full terms and conditions. Hands-free kit recommended for mobile phones. ¶ 1
