Thomas **Kienzi**

Chief Financial Officer of the iliad Group

Today, the iliad Group is announcing the appointment of Thomas Kienzi as the Group's Chief Financial Officer, with effect from October 1.

Thomas Kienzi brings to the iliad Group **more than 20 years of experience** in finance.

As a graduate of EDHEC Business School, Thomas began his career with **Deutsche Bank**. He then moved to **Crédit Agricole CIB**, working in the Paris and London offices from 2004 through 2008, when he joined **Morgan Stanley's M&A** team as Executive Director – a position he held until 2015.

He subsequently joined **Showroomprivé.com** where he worked on the company's IPO, holding various roles including CFO between 2017 and 2019. From 2019, Thomas served as CFO and then Deputy CEO of the Meilleurtaux group, taking part in the group's major business growth and diversification, as well as in the process of Goldman Sachs Private Equity's sale of its majority stake in **Meilleurtaux** to the investment firm, Silver Lake, in October 2020.

Thomas Reynaud, CEO of the iliad Group, said: "*We're delighted to be welcoming Thomas Kienzi into the iliad Group's executive team. With his strong career path, experience and leadership skills, Thomas has the perfect qualities to help us continue to build up the Group's financial strength and drive its growth and development.*"

About the iliad Group

Created in the early 1990s, the iliad Group is the inventor of the world's first triple-play box and is now a major European telecoms player, standing out for its innovative, straightforward and attractive offerings. The Group is the parent of Free in France, iliad in Italy and Play in Poland, has over 18,200 employees serving more than 49.8 million subscribers, and generated €9.7 billion in revenues in the twelve months ended June 30, 2024. In France, the Group is an integrated Fixed and Mobile Ultra-Fast Broadband operator and had 22.9 million subscribers at end-June 2024 (15.3 million Mobile subscribers and 7.5 million Fixed-line subscribers). In Italy, where it launched its business in 2018 under the iliad brand, it is the country's fourth-largest mobile operator and at end-June 2024 had nearly 11.3 million Mobile subscribers and 280,000 Fiber subscribers. In Poland, the Group is an integrated convergent operator, and at end-June 2024 had 13.3 million Mobile subscribers and nearly 2.1 million Fixed-line subscribers. In the second quarter of 2024, the iliad Group became Europe's fifth-largest operator by number of retail Mobile subscribers (excluding M2M) and it remains the fifth-largest Fixed Broadband operator.
