This Prospectus has been approved by the *Commission de Surveillance du Secteur Financier* (the “**CSSF**”) as competent authority under the Prospectus Regulation. The CSSF only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the Bonds that are the subject of this Prospectus and investors should make their own assessment as to the suitability of investing in the Bonds. In accordance with Article 6(4) of the Luxembourg Law of 16 July 2019 on prospectuses for securities, by approving a prospectus, in accordance with Article 20 of the Prospectus Regulation, the CSSF does not engage in respect of the economic or financial opportunity of the operation or the quality and solvency of the Issuer.

Application has also been made to the Luxembourg Stock Exchange for the Bonds to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Luxembourg Stock Exchange’s regulated market as from the Issue Date. The Luxembourg Stock Exchange’s regulated market is a regulated market for the purposes of Directive 2014/65/EU of the European Parliament and of the Council on markets in financial instruments, as amended.

This Prospectus has been prepared for the purpose of giving the necessary information with regard to the Issuer, the Issuer and its consolidated subsidiaries (the “Group”) and the Bonds which is material to an investor for making an informed assessment of the assets and liabilities, profit and losses, financial position and prospects of the Issuer, the rights attaching to the Bonds, the reasons for the issuance and its impact on the Issuer.

This Prospectus is to be read in conjunction with all the documents which are incorporated herein by reference.

This Prospectus does not constitute an offer of, or an invitation by or on behalf of the Issuer or the Managers (as defined in “Subscription and Sale” below) to subscribe or purchase, any of the Bonds. The distribution of this Prospectus and the offering of the Bonds in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer and the Managers to inform themselves about and to observe any such restrictions. The Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”). Subject to certain exceptions, the Bonds may not be offered or sold within the United States or to, or for the account of, U.S. persons (all as defined in Regulation S under the Securities Act (“Regulation S”)).

MiFID II product governance / Professional investors and eligible counterparties only target market – *Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “MiFID II”); and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.*

UK MiFIR product governance / Professional investors and eligible counterparties only target market – *Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“COBS”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (“UK MiFIR”); and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “distributor”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “UK MiFIR Product Governance Rules”) is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.*

PRIIPs Regulation / Prohibition of sales to EEA retail investors – *The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“EEA”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive 2016/97/EU, as amended (the “IDD”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Regulation (EU) 2017/1129 (as amended, the “Prospectus Regulation”). Consequently, no key information document required by Regulation (EU) 1286/2014 (as amended, the “PRIIPs Regulation”) for offering or selling the Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Bonds or*

otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PRIIPs Regulation / Prohibition of sales to UK retail investors – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (the “UK”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of UK domestic law by virtue of the European Union (Withdrawal) Act 2018 (the “EUWA”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the “FSMA”) and any rules or regulations made under the FSMA to implement the IDD, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of UK domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of UK domestic law by virtue of the EUWA. Consequently no key information document required by the PRIIPs Regulation as it forms part of UK domestic law by virtue of the EUWA (the “UK PRIIPs Regulation”) for offering or selling the Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

For a description of certain restrictions on offers and sales of Bonds and on distribution of this Prospectus, see “Subscription and Sale”.

No person is authorised to give any information or to make any representation not contained in this Prospectus and any information or representation not so contained must not be relied upon as having been authorised by or on behalf of the Issuer or the Managers. Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that the information contained in it or any other information supplied in connection with the Bonds is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

To the extent permitted by law, none of the Managers accepts any responsibility whatsoever for the content of this Prospectus or for any other statement in connection with the Issuer or the Group.

The Managers have not separately verified the information contained or incorporated by reference in this Prospectus in connection with the Issuer or the Group. None of the Managers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in or incorporated by reference in this Prospectus in connection with the Issuer or the Group. Neither this Prospectus nor any other financial statements are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer and the Managers that any recipient of this Prospectus or any other financial statements should purchase the Bonds. Each potential purchaser of Bonds should determine for itself the relevance of the information contained in this Prospectus and its purchase of Bonds should be based upon such investigation as it deems necessary. None of the Managers undertakes to review the financial condition or affairs of the Issuer or the Group during the life of the arrangements contemplated by this Prospectus nor to advise any investor or potential investor in the Bonds of any information coming to the attention of any of the Managers.

Suitability of investment in the Bonds

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement;*
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;*
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency;*
- (d) understand thoroughly the terms of the Bonds and be familiar with the behaviour of financial markets;*
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks; and*
- (f) consult their legal advisers in relation to possible legal, tax, accounting, regulatory and related aspects of any investment in the Bonds.*

Consideration on taxation and the Financial Transactions Tax (“FTT”)

Potential purchasers and sellers of the Bonds should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Bonds are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Bonds. In particular, potential investors are warned that the tax laws of the investor's jurisdiction or of France (the Issuer's country of incorporation) might have an impact on the income received from the Bonds. Potential investors are advised not to rely upon the tax summary contained in this Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Bonds. Only these advisors are in a position to duly consider the specific situation of each potential investor.

A number of Member States of the European Union are currently negotiating to introduce a FTT in the scope of which transactions in the Bonds may fall. The scope of any such tax is still uncertain as well as any potential timing of implementation. If the currently discussed text or any similar tax is adopted, transactions in the Bonds could be subject to higher costs, and the liquidity of the market for the Bonds may be diminished. The Issuer or any Paying Agent will in any case not be required to pay or indemnify the Bondholders for any cost incurred as the case may be in respect of the FTT.

See “Risk Factors” below for certain information relevant to an investment in the Bonds.

In this Prospectus, unless otherwise specified, references to a “Member State” are references to a Member State of the European Economic Area, references to “EUR”, “Euro”, “euro” or “€” are to the single currency introduced at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty establishing the European Community, as amended.

Consideration relating to credit rating of the Bonds

The ratings assigned to the Bonds by each rating agency is based on the Issuer's financial situation but takes into account other relevant structural features of the transaction, including, inter alia, the terms of the Bonds, and reflects only the views of such rating agency. A rating may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Bonds. Each rating addresses the likelihood of full and timely payment to the Bondholders of all payments of interest on each interest payment date and repayment of principal on the final payment date. There is no assurance that any such rating will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by any rating agency as a result of changes in or unavailability of information or if, in the relevant rating agency's judgement, circumstances so warrant. A credit rating and/or a corporate rating are not a recommendation to buy, sell or hold securities. Any adverse change in an applicable credit rating could adversely affect the trading price for the Bonds.

Forward-Looking Statements

This Prospectus contains certain statements that are forward-looking including statements with respect to the Issuer's and the Group's business strategies, expansion and growth of operations, trends in the business, competitive advantage, and technological and regulatory changes, information on exchange rate risk and generally includes all statements preceded by, followed by or that include the words "believe", "expect", "project", "anticipate", "seek", "estimate" or similar expressions. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and actual results may differ materially from those in the forward-looking statements as a result of various factors. Potential investors are cautioned not to place undue reliance on forward-looking statements, which speak only as of the date hereof. These forward-looking statements do not constitute profit forecasts or estimates under Commission Delegated Regulation (EU) 2019/980, as amended, supplementing the Prospectus Regulation.

RISK FACTORS

The following are risk factors of the offering of the Bonds of which prospective investors should be aware.

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Bonds. All of these factors are contingencies which may or may not occur. Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Bonds are also described below. The Issuer believes that the factors described below represent the principal risks inherent in investing in Bonds, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Bonds may occur for other reasons. Prospective investors should make their own independent evaluations of all risk factors and should also read the detailed information set out elsewhere in this Prospectus (including any information incorporated by reference therein) and reach their own views prior to making any investment decision. In each category below the Issuer sets out first the most material risk, in its assessment, taking into account the expected magnitude of their negative impact and the probability of their occurrence.

The terms defined in “Terms and Conditions of the Bonds” shall have the same meaning where used below.

1. Risks related to the Issuer

Risk factors relating to the Issuer and the Group are set out in pages 46 to 55 of the 2023 Universal Registration Document (as defined in “Documents incorporated by reference”) incorporated by reference in this Prospectus and include the following:

- Operational risks;
- Financial risks;
- Legal risks; and
- Extra-financial risks.

2. Risks related to the Bonds

2.1 Risks relating to particular features of the Bonds

2.1.1 The Bonds may be redeemed prior to maturity

The Issuer reserves the right to purchase Bonds in the open market or otherwise at any price in accordance with applicable regulations. Such transactions shall have no impact on the normal repayment schedule of outstanding Bonds, but they decrease the yield of the Bonds so purchased and then redeemed by the Issuer prior to their stated maturity and potentially reduce the liquidity of the Bonds. As a consequence, Bondholders may not be able to sell their Bonds and therefore lose part of their investment in the Bonds.

In the event that the Issuer would be obliged to pay additional amounts payable in respect of any Bonds due to any withholding as provided in Condition 4(b), the Issuer may redeem all outstanding Bonds in accordance with such Condition.

In addition, the Issuer has the option to redeem all (but not some only) of the Bonds (i) at any time prior to 2 February 2031, at the relevant make-whole redemption amount, as provided in Condition 4(c) and (ii) from and including 2 February 2031 to but excluding the Maturity Date, at par plus accrued interest, as provided in Condition 4(e).

If 75 per cent. or more in principal amount of the Bonds have been redeemed or purchased and cancelled by the Issuer the Issuer will have the option to redeem all of such remaining Bonds at their principal amount together with accrued interest as provided in Condition 4(f). In particular, there is no obligation for the Issuer to inform investors if and when this percentage has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of this option, the Bonds may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

If the market interest rates decrease, the risk to Bondholders that the Issuer will exercise its right of early redemption increases. As a consequence, the yields received upon such early redemption may be lower than expected, and the redeemed face amount of the Bonds may be lower than the purchase price paid for such Bonds by the Bondholder where the purchase price was above par. Therefore, part of the capital invested by the Bondholder may be lost, so that the Bondholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Bonds may not be below par.

In the event the Issuer redeems the Bonds as provided in Condition 4, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Bonds being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

2.1.2 Change of control put option

In accordance with Condition 4(d), upon the occurrence of a Change of Control of the Issuer, each Bondholder will have the right to request the Issuer to redeem or procure the purchase of its Bonds at their principal amount together with any accrued interest.

Depending on the number of Bonds in respect of which such put option is exercised, any trading market in respect of those Bonds in respect of which such put option is not exercised may become illiquid. In addition, investors may not be able to reinvest the moneys they receive upon such early redemption in securities with the same yield as the redeemed Bonds. Should the above risks ever materialise, Bondholders could lose a significant part of their investment in the Bonds.

2.1.3 Interest rate risks

As provided for in Condition 3 of the Terms and Conditions of the Bonds, each Bond bears interest from, and including, 2 May 2024 at the rate of 5.375 per cent. *per annum*, which involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds. Generally, prices of fixed interest rate notes tend to fall when market interest rates rise and accordingly are subject to volatility. Therefore, the price of the Bonds at any particular time may be lower than the purchase price for the Bonds paid by the Bondholders and may cause Bondholders to lose a portion of the capital invested if they decide to sell their Bonds.

2.2 Risks for the Bondholders as creditors of the Issuer

2.2.1 French insolvency law

The Issuer is a *société anonyme* with its registered office in France. In the event that the Issuer becomes insolvent, insolvency proceedings will be generally governed by the insolvency laws of France to the extent that, where applicable, the "centre of main interests" (as construed under Regulation (EU) 2015/848, as amended) of the Issuer is located in France.

The Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt, and amending Directive (EU) 2017/1132 has been transposed into

French law by the *Ordonnance* 2021-1193 dated 15 September 2021. Such *Ordonnance*, applicable as since 1st October 2021, has amended French insolvency laws notably with regard to the process of adoption of restructuring plans under insolvency proceedings. According to this *Ordonnance*, "affected parties" (including notably creditors, and therefore the Bondholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that reflect a sufficient commonality of interest based on objective and verifiable criteria. Bondholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Bondholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The decision of each class is taken by a two-thirds (2/3rd) majority of the voting rights held by participating members, no quorum being required.

If the restructuring plan is not approved by all classes of affected parties, it can still be ratified by the court at the request of the Issuer or the receiver with the Issuer's consent and be imposed on dissenting classes through a cross-class cram down, under certain conditions.

For the avoidance of doubt, the provisions relating to the representation of Bondholders described in Condition 8 will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

The commencement of insolvency proceedings against the Issuer would have a material adverse effect on the market value of Bonds issued by the Issuer. As a consequence, any decisions taken by a class of affected parties could negatively and significantly impact the Bondholders and cause them to lose all or part of their investment, should they not be able to recover all or part of the amounts due to them from the Issuer.

2.2.2 Modification of the Terms and Conditions of the Bonds and waivers

As provided by Condition 8, there are provisions for calling meetings of Bondholders or consulting Bondholders in writing to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not express a vote and Bondholders who voted in a manner contrary to the majority. If a decision is adopted by a majority of Bondholders and such modifications were to impair or limit the rights of the Bondholders, this may have an impact on the market value of the Bonds and hence Bondholders may lose part of their investment in the Bonds.

2.3 Risks relating to the market

2.3.1 No active secondary or market trading for the Bonds

Application has been made for the Bonds to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Luxembourg Stock Exchange's regulated market as from the Issue Date.

An investment in the Bonds should be considered primarily with a view to holding them until their maturity. The Bonds may have no established trading market when issued, and one may never develop. If an active trading market for the Bonds does not develop or is not maintained, the market or trading price and liquidity of the Bonds may be significantly adversely affected. If a market does develop, it may not be very liquid.

Therefore, investors may not be able to sell their Bonds in the secondary market in which case the market or trading price and liquidity may be adversely affected or at prices that will provide them with

a yield comparable to similar investments that have a developed secondary market and Bondholders could lose a significant part of their investments in the Bonds.

2.3.2 Market value of the Bonds

The Bonds are expected to be rated BB by S&P, Ba2 by Moody's and BB by Fitch. The market value of the Bonds will be affected by the creditworthiness of the Issuer and by a number of additional factors related to economic and market conditions, including, but not limited to, volatility of the market, interest rates, currency exchange rates and inflation rates and the time remaining to the maturity date.

The value of the Bonds depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Bonds are traded. The price at which a holder of Bonds will be able to sell the Bonds prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. There can be no assurance that events in France, in Europe or elsewhere will not cause market volatility or that such volatility will not adversely affect the price of the Bonds or that economic and market conditions will not have any other adverse effect. Accordingly, all or part of the investment by the Bondholder in the Bonds may be lost upon any transfer of the Bonds, so that the Bondholder in such case would receive significantly less than the total amount of its investment.

2.3.3 Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Bonds in Euro in accordance with Condition 3 and Condition 5. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than Euro. These include the risk that exchange rates may change significantly (including changes due to devaluation of Euro or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Euro would decrease (i) the Investor's Currency-equivalent yield on the Bonds, (ii) the Investor's Currency-equivalent value of the principal payable on the Bonds and (iii) the Investor's Currency-equivalent market value of the Bonds, all of which could have a significant adverse effect on the return on the investment of the investors.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal. This may result in a significant loss on any capital invested from the perspective of a Bondholder whose domestic currency is not Euro.

2.3.4 Potential conflict of interest

Certain of the Managers (as defined in "Subscription and Sale" below) and, as the case may be, the Calculation Agent and their affiliates have engaged, and may in the future engage, in investment banking and/or commercial banking transactions with, and may perform services for, the Issuer and its affiliates in the ordinary course of business. In addition, in the ordinary course of their business activities, the Managers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of the Issuer or Issuer's affiliates. Certain of the Managers or their affiliates that have a lending relationship with the Issuer or other entities of the Group routinely hedge their credit exposure to the Issuer or, as the case may be, such other entities of the Group consistent with their customary risk management policies. Typically,

such Managers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in securities, including potentially the Bonds. Any such short positions could adversely affect future trading prices of the Bonds. The Managers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Potential conflicts of interest may arise between the Calculation Agent, if any, and the Bondholders (including where a Manager acts as Calculation Agent), including with respect to certain discretionary determinations and judgements that such Calculation Agent may make pursuant to the Terms and Conditions of the Bonds that may influence the amount receivable upon redemption of the Bonds. In particular, whilst a Calculation Agent will, as the case may be, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Bondholders during the term and on the maturity of the Bonds or the market price, liquidity or value of the Bonds and which could be deemed to be adverse to the interests of the Bondholders.

TERMS AND CONDITIONS OF THE BONDS

The terms and conditions of the Bonds will be as follows:

The issue of €500,000,000 5.375 per cent. Bonds due 2 May 2031 (the “**Bonds**”) of Iliad (the “**Issuer**”) has been authorised by a resolution of the Board of Directors (*Conseil d’administration*) of the Issuer dated 4 July 2023. The Issuer will enter into a fiscal agency agreement (the “**Fiscal Agency Agreement**”) dated 29 April 2024 with Société Générale as fiscal agent, principal paying agent and calculation agent. The fiscal agent, principal paying agent, the calculation agent and paying agents for the time being are referred to in these Conditions as the “**Fiscal Agent**”, the “**Principal Paying Agent**”, the “**Calculation Agent**” and the “**Paying Agents**” (which expression shall include the Principal Paying Agent), each of which expression shall include the successors from time to time of the relevant persons, in such capacities, under the Fiscal Agency Agreement, and are collectively referred to as the “**Agents**”. References to “**Conditions**” are, unless the context otherwise requires, to the numbered paragraphs below.

1 Form, Denomination and Title

The Bonds are issued on 2 May 2024 (the “**Issue Date**”) in dematerialised bearer form in the denomination of €100,000. Title to the Bonds will be evidenced in accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier* by book-entries (*inscription en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Bonds.

The Bonds will, upon issue, be inscribed in the books of Euroclear France, which shall credit the accounts of the Account Holders. For the purpose of these Conditions, “**Account Holders**” shall mean any intermediary institution entitled to hold accounts, directly or indirectly, with Euroclear France, and includes Euroclear Bank SA/NV (“**Euroclear**”) and the depositary bank for Clearstream Banking, S.A. (“**Clearstream**”).

Title to the Bonds shall be evidenced by entries in the books of Account Holders and will pass upon, and transfer of Bonds may only be effected through, registration of the transfer in such books.

2 Status and Negative Pledge

(a) Status of the Bonds

The obligations of the Issuer in respect of the Bonds constitute direct, unconditional, unsecured (subject to Condition 2(b)) and unsubordinated obligations and rank and will rank *pari passu* and without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

(b) Negative Pledge

So long as any of the Bonds remain outstanding (as defined below), the Issuer will not, and will ensure that Free (as defined below) or Free Mobile (as defined below) will not, create or permit to subsist any mortgage, lien (other than a lien arising by operation of law), charge, pledge or other form of security interest (*sûreté réelle*) upon any of their respective business, revenues, property or assets, present or future, to secure any Relevant Debt (as defined below) unless at the same time or prior thereto, the Issuer’s obligations under the Bonds are equally and rateably secured therewith.

For the purposes of these Conditions:

“**Free Mobile**” means Free Mobile, a company incorporated as a French *société par actions simplifiée* registered with the *Registre du commerce et des sociétés* of Paris under number 499 247 138.

“**Free**” means Free, a company incorporated as a French *société par actions simplifiée* registered with the *Registre du commerce et des sociétés* of Paris under number 421 938 861.

“**Group**” means the Issuer and its consolidated subsidiaries.

“**outstanding**” means, in relation to the Bonds, all the Bonds issued other than: (a) those which have been redeemed in accordance with the Conditions, (b) those in respect of which the date for redemption in accordance with the Conditions has occurred and the redemption monies (including all interest accrued on such Bonds to the date for such redemption and any interest payable under Condition 3 after such date) have been duly paid to the Fiscal Agent and (c) those which have been purchased and cancelled as provided in Condition 4.

“**Relevant Debt**” means any present or future indebtedness for borrowed money in the form of, or represented by, bonds or notes (*obligations*) or other similar debt securities (*titres de créance* excluding, for the avoidance of doubt, *titres de créance négociables*) which are for the time being, or are capable of being, quoted, admitted to trading or ordinarily dealt in on any stock exchange, over-the-counter market or other securities market.

3 Interest

The Bonds bear interest at the rate of 5.375 per cent. *per annum*, from, and including, 2 May 2024 (the “**Interest Commencement Date**”) payable annually in arrear on 2 May in each year (each an “**Interest Payment Date**”), commencing on 2 May 2025. The period commencing on, and including, the Interest Commencement Date and ending on, but excluding, the first Interest Payment Date and each successive period commencing on, and including, an Interest Payment Date and ending on, but excluding, the next succeeding Interest Payment Date is called an “**Interest Period**”.

Bonds will cease to bear interest from the date provided for their redemption, unless payment of the full amount due in respect of the Bonds is improperly withheld or refused on said date. In such event, the Bonds will continue to bear interest in accordance with this Condition (as well after as before judgment) on the principal amount of such Bonds until whichever is the earlier of (i) the day on which all sums due in respect of such Bonds up to that day are received by or on behalf of the relevant holder and (ii) the day after the Fiscal Agent has notified the holders of the Bonds (the “**Bondholders**”) in accordance with Condition 9 of receipt of all sums due in respect of all the Bonds up to that day.

Interest will be calculated on an Actual/Actual (ICMA) basis. If interest is required to be calculated for a period of less than one year, it will be calculated on the basis of a day count fraction which will be calculated by taking the number of days in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

4 Redemption and Purchase

The Bonds may not be redeemed otherwise than in accordance with this Condition 4.

(a) *Final Redemption*

Unless previously redeemed or purchased and cancelled as provided below, the Bonds will be redeemed by the Issuer at their principal amount on 2 May 2031 (the “**Maturity Date**”).

(b) *Redemption for Taxation Reasons*

(i) If, by reason of a change in French law or regulation, or any change in the official application or interpretation of such law or regulation, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment due in respect of the Bonds, not be able to make such payment without having to pay additional amounts as specified in Condition 6 below, the Issuer may on any Interest Payment Date, subject to having given not more than 45 nor less than 30 days’ prior notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 9, redeem all, but not some only, of the outstanding Bonds at their principal amount together, if applicable, with interest accrued to the date of such redemption, provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable Interest Payment Date on which the Issuer could make payment of principal and interest without withholding for French taxes.

(ii) If the Issuer would on the occasion of the next payment in respect of the Bonds be prevented by French law or regulation from making payment to the Bondholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 6 below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven days’ prior notice to the Bondholders in accordance with Condition 9 redeem all, but not some only, of the Bonds then outstanding at their principal amount plus any accrued interest on the latest practicable date on which the Issuer could make payment of the full amount payable in respect of the Bonds without withholding for French taxes, or, if such date is past, as soon as practicable thereafter.

(c) *Redemption at the option of the Issuer*

The Issuer may, subject to compliance with all relevant laws, regulations and directives and the satisfaction of any refinancing conditions to which the redemption is subject (if any), and to having given not more than 30 nor less than 15 days’ notice to the Bondholders (which notice shall be irrevocable and shall specify the date fixed for redemption) in accordance with Condition 9, redeem all (but not some only) of the Bonds at any time prior to 2 February 2031 (the “**Make-Whole Redemption Date**”) at an amount per Bond equal to the greater of:

(a) 100 per cent. of the principal amount of the Bonds; or

(b) as determined by the Calculation Agent (as defined below), the sum of the then current values of (i) the of principal amount of the Bonds and (ii) the remaining scheduled payments of interest from the Make-Whole Redemption Date to, and including, 2 February 2031 (determined on the basis of the interest applicable to such Bond, excluding any interest accrued on the Bonds from and including the Issue Date or, as the case may be, the scheduled Interest Payment Date immediately preceding such Make-Whole Redemption Date to, but excluding, the Make-Whole Redemption Date) discounted to the Make-Whole Redemption Date on an annual basis (based on the actual number of days elapsed divided by 365 or (in the case of a leap year) by 366) at the Reference Dealer Rate (as defined below) plus 0.45 per cent.,

plus, in each case, any interest accrued on the Bonds from and including the Issue Date or, as the case may be, the scheduled Interest Payment Date immediately preceding such Make-Whole Redemption Date to, but excluding, the Make-Whole Redemption Date.

For the purposes of this Condition 4(c):

“**Calculation Agent**” means Société Générale;

“**Reference Bund**” means the €28,000,000,000 0.00 per cent. German Federal Government Bonds of Bundesrepublik Deutschland due 15 February 2031 with ISIN DE0001102531;

“**Reference Dealers**” means four Managers among Banco Santander, S.A., Commerzbank Aktiengesellschaft, Crédit Industriel et Commercial S.A., Natixis, Raiffeisen Bank International AG and Société Générale;

“**Reference Dealer Rate**” means, with respect to the Make-Whole Redemption Date, the average of the four quotations of the mid-market annual yield to maturity of the Reference Bund at 11.00 a.m. (Central European time) on the fourth business day in Paris preceding the Make-Whole Redemption Date quoted in writing to the Calculation Agent by the Reference Dealers or, if the Reference Bund is no longer outstanding, a Similar Security, at 11.00 a.m. (Central European time) on the third business day in Paris preceding the Make-Whole Redemption Date quoted in writing to the Calculation Agent by the Reference Dealers; and

“**Similar Security**” means a reference bond or reference bonds issued by the German Federal Government having an actual or interpolated maturity comparable with the remaining term of the Bonds that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Bonds.

All notifications, opinions, determinations, certifications, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 4(c) by the Calculation Agent shall (in the absence of willful default, bad faith or manifest error) be binding on the Issuer and the Bondholders and (in the absence as aforesaid) no liability to the Issuer or the Bondholders shall attach to the Calculation Agent in connection with the exercise or non-exercise of its powers, duties and discretions.

(d) *Redemption at the option of Bondholders following a Change of Control*

If at any time while any Bond remains outstanding, there occurs a Change of Control (as defined below), the holder of such Bond will have the option (the “**Put Option**”) within the Put Option Period (as defined below) (unless, prior to the giving of the Put Event Notice, the Issuer gives notice of its intention to redeem the Bonds under Conditions 4(b) (*Redemption for taxation reasons*), 4(c) (*Redemption at the option of the Issuer*) or 4(e) (*Residual Maturity Call Option*)) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that Bond, on the Optional Redemption Date at its principal amount together with (or where purchased, together with an amount equal to) interest accrued to, but excluding, the Optional Redemption Date.

A “**Change of Control**” shall be deemed to have occurred each time that any person (or group of persons acting in concert (having the meaning given in Article L.233-10 of the French *Code de commerce*)), other than Xavier Niel, together with his spouse or domestic partner, his descendants and/or any holding company controlled by any one or more of them, controls or acquires the control (having the meaning given in Article L.233-3 II of the French *Code de commerce*) of the Issuer.

Promptly upon the Issuer becoming aware that a Change of Control has occurred, the Issuer shall give notice (a “**Put Event Notice**”) to the Bondholders in accordance with Condition 9 specifying the nature of the Change of Control, the circumstances giving rise to it, the Put Option Period and, more generally, the procedure for exercising the Put Option contained in this Condition 4(d).

“**Put Option Period**” means the period commencing on the day following the date of the publication of the Put Event Notice in accordance with Condition 9 and ending on the 45th day thereafter.

To exercise the Put Option to require redemption or, as the case may be, purchase of the Bonds following a Change of Control, a Bondholder must transfer or cause to be transferred its Bonds to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice (as defined below) for the account of the Issuer within the Put Option Period together with a duly signed and completed notice of exercise obtainable from the specified office of the Paying Agent (a “**Put Option Notice**”) and in which the Bondholder may specify a bank account to which payment is to be made under this Condition 4(d).

A Put Option Notice once given shall be irrevocable. The Issuer shall redeem or, at the option of the Issuer procure the purchase of, the Bonds in respect of which the Put Option has been validly exercised as provided above and subject to the transfer of such Bonds to the account of the Fiscal Agent for the account of the Issuer, on the date which is the fifth business day following the end of the Put Option Period (the “**Optional Redemption Date**”). Payment in respect of such Bonds will be made in Euro on the Optional Redemption Date by transfer to the bank account specified in the Put Option Notice and otherwise subject to the provisions of Condition 5.

For the avoidance of doubt, the Issuer shall have no responsibility for any cost or loss of whatever kind which the Bondholder may incur as a result of or in connection with such Bondholder’s exercise or purported exercise of, or otherwise in connection with, any Put Option (whether as a result of any purchase or redemption arising there from or otherwise).

(e) *Residual Maturity Call Option*

The Issuer may, subject to compliance with all relevant laws, regulations and directives and to having given not more than 30 nor less than 15 days' irrevocable notice to the Bondholders (which notice shall be irrevocable and shall specify the date fixed for redemption) in accordance with Condition 9, redeem all (but not some only) of the Bonds at par together with interest accrued to, but excluding, the date fixed for redemption at any time as from 2 February 2031.

(f) *Clean-Up Call Option*

If 75 per cent. or more in principal amount of the Bonds have been redeemed or purchased and cancelled by the Issuer, the Issuer may, on not less than 30 nor more than 60 days' notice to the Bondholders, redeem on a date to be specified in such notice (the “**Clean-Up Redemption Date**”), at its option, all (but not some only) of the remaining Bonds at their principal amount, together with interest accrued to but excluding the Clean-Up Redemption Date.

(g) *Purchases*

The Issuer may at any time purchase Bonds together with rights to interest relating thereto in the open market or otherwise at any price. Bonds purchased by the Issuer may be held and

resold in accordance with applicable laws and regulations for the purpose of enhancing the liquidity of the Bonds or cancelled.

(h) *Cancellation*

All Bonds which are redeemed or purchased by the Issuer for cancellation pursuant to this Condition will forthwith be cancelled and accordingly may not be reissued or sold.

5 Payments

(a) *Method of Payment*

Payments of principal and interest in respect of the Bonds will be made in Euro by credit or transfer to a Euro-denominated account (or any other account to which Euro may be credited or transferred) specified by the payee in a city in which banks have access to the T2. “T2” means the real time gross settlement system operated by the Eurosystem, or any successor system.

Such payments shall be made for the benefit of the Bondholders to the Account Holders and all payments validly made to such Account Holders in favour of the Bondholders will be an effective discharge of the Issuer and the Paying Agents, as the case may be, in respect of such payments.

Payments of principal and interest on the Bonds will, in all cases, be subject to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 6.

(b) *Payments on Business Days*

If any due date for payment of principal or interest in respect of any Bond is not a Business Day (as defined below), then the Bondholder thereof shall not be entitled to payment of the amount due until the next following day which is a Business Day and the Bondholder shall not be entitled to any interest or other sums in respect of such postponed payment.

In this Condition “**Business Day**” means any day, not being a Saturday or a Sunday on which the T2 is operating and on which Euroclear France is open for general business.

No commission or expenses shall be charged to the Bondholders in respect of such payments.

(c) *Fiscal Agent, Paying Agents and Calculation Agent*

The names of the initial Agents and their specified offices are set out below.

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, Paying Agent, Calculation Agent and/or appoint additional or other Paying Agents or approve any change in the office through which any such Agent acts, provided that there will at all times be a Fiscal Agent and a Principal Paying Agent having a specified office in a European city. Notice of any such change or any change of specified office shall promptly be given to the Bondholders in accordance with Condition 9.

6 Taxation

(a) *Withholding Tax Exemption*

All payments of principal and interest by or on behalf of the Issuer in respect of the Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties,

assessments or other governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) *Additional Amounts*

If, pursuant to French laws or regulations, payments of principal or interest in respect of any Bond are subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each Bond, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such deduction or withholding; provided, however, that the Issuer shall not be liable to pay any such additional amounts in respect of any Bond to, or to a third party on behalf of, a Bondholder who is liable to such taxes, duties, assessments or other governmental charges in respect of such Bond by reason of his having some connection with France other than the mere holding of such Bond.

Any references to these Conditions to principal and interest shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 6.

7 Events of Default

If any of the following events (each an “**Event of Default**”) shall have occurred and be continuing:

- a) in the event of default by the Issuer in the payment of principal and interest on any of the Bonds, if such default shall not have been cured within 15 days thereafter; or

- c) any other present or future indebtedness of the Issuer, Free (as defined in Condition 2(b)) or Free Mobile (as defined in Condition 2(b)) for borrowed monies in excess of €100,000,000 (or its equivalent in any other currency), whether individually or in the aggregate, becomes, or any creditor in respect of such indebtedness becomes entitled under the terms thereof to declare such indebtedness, following, where applicable, the expiry of any originally applicable grace period, due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due or, as the case may be, within any originally applicable grace period therefor or any steps shall be taken to enforce any security in respect of any such indebtedness or any guarantee or indemnity given by the Issuer for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or
- d) a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer, Free or Free Mobile; or, to the extent permitted by law, the Issuer, Free or Free Mobile is subject to any other insolvency or bankruptcy proceedings under any applicable laws or the Issuer, Free or Free Mobile makes any conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors; or
- e) (a) the Issuer, Free or Free Mobile ceases to carry on the whole or substantially all of its business, (b) the Issuer ceases to hold at least two-thirds of the share capital and voting rights normally exercisable at general meetings of shareholders, Free or Free Mobile or (c) an order is

made or an effective resolution is passed for the winding up, liquidation or dissolution of (A) the Issuer, otherwise than for the purposes of or pursuant to an amalgamation, reorganisation, merger, consolidation, or restructuring or other similar arrangement whilst solvent (including, without limitation, any *scission*, any *fusion-absorption* or any *apport partiel d'actifs* under French law) where the entity resulting from or surviving following such amalgamation, reorganisation, merger, consolidation or restructuring or similar arrangement, expressly or as a matter of law assumes all of the obligations under the Bonds or (B) Free or Free Mobile, otherwise than for the purposes of or pursuant to an amalgamation, reorganisation, merger, consolidation, or restructuring or other similar arrangement whilst solvent (including, without limitation, any *scission*, any *fusion-absorption* or any *apport partiel d'actifs* under French law) where the entity resulting from or surviving following such amalgamation, reorganisation, merger, consolidation or restructuring or similar arrangement, is a member of the Group,

then the Representative upon request of any Bondholder shall, by written notice to the Issuer with copy for information purposes to the Fiscal Agent given before all continuing Events of Default shall have been cured, cause all the Bonds (but not some only) held by such Bondholder to become immediately due and payable as of the date on which such notice for payment is received by the Issuer without further formality at the principal amount of the Bonds together with any accrued interest thereon.

8 Representation of the Bondholders

Bondholders will be grouped automatically for the defence of their common interests in a masse (the “**Masse**”). The Masse will be governed by the provisions of the French *Code de commerce*, and with the exception of Articles L.228-48, L.228-59, L.228-65 I 1° and 6°, L.228-65 II, R.228-61, R.228-63, R.228-67, R.228-69, R.228-79 (first paragraph) and R.236-14 of the French *Code de commerce* subject to the following provisions:

- (a) **Legal Personality:** The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Bondholders (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual Bondholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Bonds.

- (b) **Representative of the Masse:** The following person is designated as Representative of the Masse:

Association de représentation de la masse de titulaires de valeurs mobilières
11, rue Boileau
44000 Nantes
France

Bondholders’ attention is drawn to the fact that the members of the *Association de représentation de la masse de titulaires de valeurs mobilières* are also employees of Société Générale.

The Issuer shall pay to the Representative of the Masse an amount equal to €400 *per annum* paid upfront on the Issue Date.

In the event of dissolution, death, retirement or revocation of appointment of the Representative, an alternate Representative will be elected by the General Meeting.

- (c) **Powers of the Representative:** The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Bondholders.

All legal proceedings against the Bondholders or initiated by them, must be brought by or against the Representative.

The Representative may not interfere in the management of the affairs of the Issuer.

- (d) **General Meeting:** A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Bondholders, holding together at least one-thirtieth of the principal amount of the Bonds outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting, together with the proposed agenda for such General Meeting. If such General Meeting has not been convened within two months after such demand, the Bondholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, time, place and agenda of any General Meeting will be published as provided under Condition 9 not less than 15 days prior to the date of such General Meeting on first convocation, and 5 days on second convocation.

Each Bondholder has the right to participate in a General Meeting in person, by proxy, correspondence, or videoconference or any other means of telecommunications allowing the identification of the participating Bondholders as provided *mutatis mutandis* by Article R.223-20-1 of the French *Code de commerce*. Each Bond carries the right to one vote.

- (e) **Powers of the General Meetings:** The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate Representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Bonds, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) to Bondholders, nor establish any unequal treatment between the Bondholders, nor to decide to convert Bonds into shares.

General Meetings may deliberate validly on first convocation only if Bondholders present or represented hold at least a fifth of the principal amount of the Bonds then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a simple majority of votes cast by Bondholders attending such General Meetings or represented thereat.

In accordance with Article R.228-71 of the French *Code de commerce*, the rights of each Bondholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Bondholder on the second business day in Paris preceding the date set for the meeting of the relevant General Meeting at 0:00, Paris time.

Decisions of General Meetings and Written Resolutions once approved must be published in accordance with the provisions set forth in Condition 9.

- (f) **Written Resolutions:** Pursuant to Article L.228-46-1 of the French *Code de commerce*, the Issuer shall be entitled in lieu of the holding of a General Meeting to seek approval of a

resolution from the Bondholders by way of a Written Resolution. Subject to the following sentence a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the Bondholders. Pursuant to Articles L.228-46-1 and R.225-97 of the French *Code de commerce* approval of a Written Resolution may also be given by way of electronic communication allowing the identification of Bondholders (“**Electronic Consent**”).

Notice seeking the approval of a Written Resolution (including by way of Electronic Consent) will be published as provided under Condition 9 not less than 15 days prior to the date fixed for the passing of such Written Resolution (the “**Written Resolution Date**”). Notices seeking the approval of a Written Resolution will contain the conditions of form and time-limits to be complied with by the Bondholders who wish to express their approval or rejection of such proposed Written Resolution. Bondholders expressing their approval or rejection before the Written Resolution Date will undertake not to dispose of their Bonds until after the Written Resolution Date.

For the purpose hereof, a “**Written Resolution**” means a resolution in writing signed by the Bondholders of not less than 80 per cent. in nominal amount of the Bonds outstanding.

- (g) **Information to Bondholders:** Each Bondholder or Representative thereof will have the right, during the 15-day period preceding the holding of the General Meeting on first convocation or the Written Resolution Date and during the 5-day period preceding the holding of the General Meeting on second convocation, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be prepared in connection with such resolutions, all of which will be available for inspection by the relevant Bondholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting or Written Resolution.
- (h) **Expenses:** The Issuer will pay all reasonable expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and seeking of a Written Resolution and, more generally, all administrative expenses resolved upon by the General Meeting or in writing by the Bondholders, it being expressly stipulated that no expenses may be imputed against interest payable under the Bonds.
- (i) **Notice of Decisions:** Decisions of the meetings or any decision taken by the Issuer pursuant to Article R.236-14 of the French *Code de commerce* shall be published in accordance with the provisions set out in Condition 9 not more than 90 days from the date thereof.
- (j) **One Bondholder:** If and for so long as the Bonds are held by a single Bondholder, such Bondholder shall exercise all powers, rights and obligations entrusted to the Masse by the provisions of Condition 8. The Issuer shall hold a register of the decisions taken by the sole Bondholder and shall make them available, upon request, to any subsequent holder of any of the Bonds.

For the avoidance of doubt, “**outstanding**” shall not include those Bonds subscribed or purchased by the Issuer that are held and not cancelled pursuant to Article L.213-0-1 of the French *Code monétaire et financier*.

9 Notices

Any notice to the Bondholders will be valid if (i) delivered to the Bondholders through Euroclear France, Euroclear or Clearstream, for so long as the Bonds are cleared through such clearing systems, (ii) so long as the Bonds are admitted to trading on the regulated market of the Luxembourg Stock Exchange, on the website of the Luxembourg Stock Exchange (www.luxse.com) and (iii) published on

the website of the Issuer (www.iliad.fr). Any such notice shall be deemed to have been given on the date of such delivery or, if delivered more than once or on different dates, on the first date on which such delivery is made.

10 Prescription

Claims against the Issuer in respect of the Bonds shall become prescribed ten years (in the case of principal) and five years (in the case of interest) from the due date for payment thereof.

11 Further Issues

The Issuer may, from time to time without the consent of the Bondholders, issue further bonds to be assimilated (*assimilables*) with the Bonds as regards their financial service, provided that such further bonds and the Bonds shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further bonds shall provide for such assimilation. In the event of such assimilation, the Bondholders and the holders of any assimilated bonds will, for the defence of their common interests, be grouped in a single Masse having legal personality.

12 Governing Law and Jurisdiction

The Bonds are governed by, and shall be construed in accordance with, the laws of France.

Any legal action or proceedings arising out of or in connection with the Bonds will be submitted to the jurisdiction of the competent courts in Paris.

USE AND ESTIMATED NET AMOUNT OF PROCEEDS

The estimated net proceeds from the issue of the Bonds will amount €497,426,000, will be used for the Issuer's general corporate purposes of the Group and, in whole or in part, to finance the concurrent tender offer on the Issuer's €650,000,000 1.500 per cent.
