

Paris, 24<sup>th</sup> January 2013

**Free is the first operator to include unlimited texting to mobile phones in  
French overseas departments**

\*\*\*

**Calls to landlines and mobile phones in Mayotte are now included  
in its Freebox Revolution and mobile plans**

Free took its offerings up another notch by including **unlimited SMS** from metropolitan France to mobile phones in **all of the overseas departments** (Guadeloupe, French Guiana, Martinique, La Reunion and Mayotte) in its mobile plans.

What is more, Free subscribers, whose Freebox Revolution or mobile phone plans included calls to landlines and mobile phones in Guadeloupe, French Guiana, Martinique and La Reunion, can now enjoy **unlimited** calling (or within the 2-hour allowance for subscribers to the 2-euro per month plan) to **landlines and mobile phones in Mayotte**, at no extra cost. In a word, Free's Freebox Revolution and mobile phone plans now cover calls to landlines and mobile phones in **all of France's overseas departments**.

For subscribers to the unbundled or optical fiber Freebox V5 offering, who opt for or who already avail of the "Call to mobile phones" option, the new offering of calls to mobile phones in Mayotte is integrated in the option.

#### **About Free**

*Free is the inventor of the Freebox, the first multiservice box on ADSL. Free is behind several innovations in the broadband access segment (VoIP, IPTV, flat-rate calling plans to several destinations, etc.). Free provides straight-forward and innovative offerings at the best prices. At the end of 2010, Free introduced Freebox Revolution, the 6<sup>th</sup> generation of Freebox units that notably included a NAS and a Blu-Ray™ drive. Free was the first operator to include calls from landlines to mobile phones in its Freebox plan. Since January 2012, Free has brought mobile phone usage within everyone's reach with straight-forward no-contract offerings at unbeatable prices. Free was awarded the 1<sup>st</sup> price for customer relations (Prix du Podium de la Relation Client 2012) for mobile telephony\*. Free has over 5.2 million broadband subscribers and 4.4 million mobile subscribers (as at 30<sup>th</sup> September 2012).*

*\* Survey by TNS Sofres/BearingPoint for the "Prix du Podium de la Relation Client" award was conducted from 30<sup>th</sup> March to 9<sup>th</sup> April 2012 among Free customers, on a sample of 4,000 persons.*

*Freebox offering subject to conditions. Available in metropolitan France, subject to phone line eligibility. Free mobile offering subject to conditions. Available in metropolitan France based on network coverage and subject to the use of a compatible mobile telephone.*

*Calls from a Freebox line or a mobile phone in metropolitan France to landlines and mobile phones in the French overseas departments, excluding short codes and special numbers.*

*For Freebox subscribers whose plans do not yet include the offering for calls to mobile phones in the French overseas departments, subject to the validation of the new pricelists and the general terms and conditions of sale. For mobile phone plan subscribers, the offering will be available automatically as of 24<sup>th</sup> January 2013.*

*Unlimited SMS from a Free Mobile line in metropolitan France to mobile phones in the French overseas departments, excluding short codes, special numbers and premium-rate numbers.*
