**“Free Mobile Plan”:
from now on, up to 2 “Free Mobile Plans”
at the reduced price of €15.99/month for each Freebox subscription**

The reduced price already available to Freebox subscribers for the “**Free Mobile Plan**” (€15.99/month instead of €19.99) has been extended to a **2nd “Free Mobile Plan”** as part of the multiline offering.

This means that Freebox subscribers can have two “Free Mobile Plans” at €15.99/month.

The multiline offering allows mobile subscribers to have several mobile subscriptions linked to one main account (same banking details and same postal address).

About Free

Free is the inventor of the Freebox, the first multiservice box on ADSL. Free is behind several innovations in the broadband access segment (VoIP, IPTV, flat-rate calling plans to multiple destinations, etc.). Free provides straightforward and innovative offerings at the best prices. At the end of 2010, Free introduced Freebox Revolution, the 6th generation of Freebox units that notably includes an NAS and a Blu-Ray™ drive. Free was the first operator to include calls from landlines to mobile phones in its Freebox plan. Since January 2012, Free has brought mobile phone usage within everyone’s reach with straightforward no-contract offerings at unbeatable prices. Free has 5.5 million broadband subscribers and 6.1 million mobile subscribers (as at March 31, 2013).

The Free mobile offering is subject to conditions (see mobile.free.fr). It is valid in metropolitan France depending on network coverage and with a compatible mobile phone. Offer applicable subject to approval of the May 28, 2013 pricing brochure (Brochure Tarifaire) and the General Terms and Conditions of Subscription dated May 28, 2013. Price reduction of €4/month available for a maximum of two “Free Mobile Plan” subscriptions. The €4/month price reduction for the “Free Mobile Plan” and the €2/month price reduction for the €2/month Plan may not apply simultaneously. If a Freebox subscriber has both a €2/month Plan and a “Free Mobile Plan” as part of the multiline offering, only the €4/month price reduction for the “Free Mobile Plan” will apply.

Any Freebox subscriber who cancels their Freebox subscription will no longer be eligible for the price reduction.
