French Ligue 1: Iliad awarded broadcast rights for Lot 6

Iliad has been awarded the rights to broadcast Lot 6 in the call for tenders for Ligue 1 seasons 2020/2021 to 2023/2024, by the Ligue de Football Professionnel (LFP, the French soccer governance body).

During each Ligue 1 matchday, Iliad will stream quasi-live goals, best saves and other game highlights on its fixed and mobile platforms. At the end of each matchday in the season, it will also release a magazine featuring game summaries, the goals, an overview of developments and the best highlights.

With this Lot 6, Iliad is currently the only platform to hold quasi-live rights on all Ligue 1 games.

The cost of these rights amounts to under €50 million per season.

In partnership with LFP, Iliad will develop trailblazing and customized services in synch with evolving digital content consumption habits to reach a larger audience, in particular including younger viewers.
