## PRESS RELEASE

---

### **BFM TV, RMC Découverte and RMC Story still accessible via the Freebox despite Altice/SFR's communications to the contrary**

This morning, the Altice/SFR group unilaterally cut off the video feed of its BFM TV, RMC Découverte and RMC Story channels.

**Article 1.1 of the agreement signed between these channels and the French audiovisual regulatory authority (the *Conseil Supérieur de l'Audiovisuel*) requires the channels to be available on ADSL and fiber networks. Free has therefore re-established the broadcast of these three channels for all of its subscribers.**

Free-to-air DTT channels will still be accessible via the Freebox, despite the Altice/SFR group's communications to the contrary over the past few weeks.
